

## Message from our Managing Physician

---

**Mary C. Yankaskas, M.D.**

Are you looking to join a dynamic and growing medical practice? If so, Physicians' Primary Care may be of interest to you. Our group came together in 1996 and has grown to be the most respected multispecialty primary care practice in Southwest Florida. Our slogan "Let Our Family Take Care of Your Family" exemplifies our culture of caring. Even though we have grown our practice and broadened our scope of services, we have still maintained our family feeling and emphasis on people. We know that in the ever changing world of healthcare that it can be very challenging to be on your own. Physicians' Primary Care is positioned to take on the challenges of independent practice physicians. Whether you desire the ownership track or the employment track, we can provide you with the necessary resources to be successful. If you are interested in learning more about us, please send your CV to [fbarker@ppcswfl.com](mailto:fbarker@ppcswfl.com).
