FOR IMMEDIATE RELEASE

**PHYSICIANS' PRIMARY CARE OF SOUTHWEST FLORIDA
OPENS NEW SOUTH FORT MYERS ADULT MEDICINE OFFICE**

FORT MYERS, FLA., October 4, 2021 – Physicians' Primary Care of Southwest Florida has expanded its reach with the opening of its new South Fort Myers adult medicine office in the Burks Plaza at 13195 Metro Parkway.

“This location allows us to accommodate the growth in patients as well as service the primary health care needs of Lee County. Our patients will have increased access to care from this southern location,” said Dr. Mary Yankaskas, managing physician of Physicians' Primary Care of Southwest Florida.

The new office will include Dr. Jorge Valenzuela and Dr. Jennelle Villaflor.

Appointments can be made by calling 239-482-1010. New patients are accepted.

Services offered at the new location include adult physicals and comprehensive care and treatment.

Physicians' Primary Care of Southwest Florida, a physician-owned and operated medical practice, is celebrating its 25th anniversary of caring for Southwest Florida families. The practice was formed in 1996 by many local physicians and has grown to become the largest physician-owned primary care practice in Southwest Florida.

Medical specialties include family practice, internal medicine and pediatrics. Offices are conveniently located throughout Lee County. For more information, visit www.ppcswfl.com.
