

TOP DOCTORS®
2022

Congratulations!

We are honored to announce that Dr. Shikha Shrestha, Dr. Michael Verwest and Dr. Staci Van Winkle have been named **Castle Connolly Top Doctors for 2022!**

For over 25 years, Castle Connolly has been proud to be the most trusted resource in identifying Top Doctors such as yourself - a recognition that only goes to the top 7% of all US board-certified physicians.

In today's world, your Top Doctor distinction needs a strong digital presence. Today, over 60% of patients use online resources to find a provider - a number that increased by 30% from 2018 to 2020*. When patients find you online, they need to know you are a Top Doctor.

To this end, we have partnered with Wright's Media to offer brand new custom-designed physical and digital awards to showcase your achievement online and in-office, thereby sending a strong signal to your patients that they will be receiving the highest level of quality care.
